

Do you like spending time outdoors? Are you interested in taking part in research?

'Messy Adventures' is a pilot project of outdoor Messy Church sessions and you are invited to join in over the next 8 months. You are welcome to attend one or all pilot sessions. We will be trying out the suggested activities, giving valuable feedback, including ideas to improve or enhance the material as well as being in photos and videos of the **all age science activities** as we meet with God and reflect in a fun way for a book and supporting resources to be published by 'Messy Church-BRF' in 2022.

Everyone voluntarily taking part will be given further information about the project and all participants are required to complete a photo consent form-no names/ages will be included on any photos or video films submitted.

The exciting trial sessions will include familiar elements of Messy Church however, we will pause between trialing sections/activities to provide feedback responses, take photographs etc.

Contact the Parish Office to request to be a part of the first 'Messy Adventures' pilot project session on **Sunday 7th November at 2:30pm**, include names of all adults and children who will be attending and a contact telephone number. Please also complete and return your completed consent form before attending the trial sessions.

Parish Office, St Andrew's Church 222 High Street Hornchurch Essex RM12 6QP

Telephone: 01708 441571 Email: office@parishofhornchurch.co.uk

If you are unable to attend the first session and would be interested in attending future pilot sessions please also contact the Parish Office and we will keep you updated on pilot project session dates when they are confirmed.
